

2019 Larmenier Concert

The Larmenier Concert is a wonderful event that showcases the talent and enthusiasm of our children. This year it is a truly whole school event with Kindergarten once again joining us.

The Larmenier Concert is held at the Door of Hope on Friday the 13th of December at 1.00 pm. Doors open at 12.45.

On the day children will take buses to the Door of Hope. After the concert, children are able to go home with their parents, after speaking to the class teacher. Any children not collected will take a bus back to school.

Costumes are a key part of the concert. We are able to provide many aspects of the costumes but ask for families to help with some items. These can be borrowed, second hand or Op shopped as necessary. If you have difficulties please contact us as soon as possible.

Unless mentioned children should wear sports uniform to school.

The purpose of stage makeup is not only to add colour but also to ensure features can be seen from a distance under bright lights. Otherwise, faces will be 'washed out'. This is why we use a darker foundation, black eyeliner and mascara, brown eyeshadow, red lipstick and rouge.

Mrs Rice is once again working hard to create a fabulous concert and will be able to hopefully help. If you have any questions please email judy.rice@catholic.tas.edu.au.

We are looking forward to seeing you on Concert Day to watch our children shine.

With thanks for your ongoing support.
